

# Certificate of Commercial Practice

STATE OF NORTH DAKOTA

No. 1858PE

The North Dakota State Board of Registration for Professional Engineers and Land Surveyors  
Hereby Certifies that:

## United Structures of America, Inc.

a corporation/partnership organized under the laws of the State of TX, having complied with the provisions of § 43-19.1-27, North Dakota Century Code as amended to date is hereby issued this Certificate of Commercial Practice entitling the engineers and/or land surveyors of said corporation/partnership who are duly registered in this state and who have been duly certified to this Board by the corporation to be in responsible charge, to practice engineering and/or land surveying in this state during the period ending December 31, 2014 unless renewed or revoked as provided by statute.

In Testimony Whereof, the North Dakota State Board of Registration for Professional Engineers and Land Surveyors has caused this Certificate of Commercial Practice to be issued under its official seal, and signed by the Chairman and Secretary of said Board.

Dated this 1<sup>st</sup> day of January, 2014.
